

VALLEBONA EVENTS

Here at Vallebona, we're not only food obsessed, but we love entertaining. After years of sourcing delicious Italian ingredients for some of London's top restaurants, Stefano and Naoko wanted to find a way to share this produce with the masses. Soon after opening the shop, Vallebona Events was born. Taking advantage of our stunning warehouse conversion, we can turn our space in to a food-lover's heaven for your special event.

A TYPICAL VALLEBONA EVENING...

Start your evening with an **aperitif** and mosey around our store taking in all the amazing produce and stopping to have a peruse through **our maturation room**. Waiters will hand round delicious, slices of **freshly made pizzas** topped with our own gorgonzola, taleggio and n'duja. For the main event, tuck in to your spectacular **grazing table**, which has been thoughtfully presented by Naoko and her team. Here you'll get to sample our authentic Italian **antipasti**, our famous Michelin-starred **charcuterie** and try **unique Japanese condiments** like our yuzu marmalade or moromi miso. If your guests are still hungry, you can opt to **add one of our decadent mains** to the menu. Choose from our **rosemary porchetta** with moreish crackling, crispy fried **karaage** with yuzu kosho mayo or an Italian classic, vitello tonnato.
